

Calling all volunteers...

**Home
Start**
Support and friendship
for families

**YOU can make a difference to a family in
your community.**

Home-Start Bracknell Forest supports around 70 families each year. As part of this support, home-visiting volunteers visit a family at home for 2 hours a week offering practical and emotional support.

Our next Volunteer Preparation Course is running on Tuesdays from late September/early October (start date to be confirmed but excluding half term)

We are currently recruiting for this course.

If you would like to find out more about volunteering with Home-Start, please visit our website or contact us on:
