Pride in our Children

Mayor launches new look newsletter

Welcome to Sandhurst Pride the rebranded newsletter from Sandhurst Town Council.

We have a new Town Council and four years to continue the excellent work of the previous council.

We have a lot of new faces this time all with a burning desire to make Sandhurst a great place to live, work and play. In this first edition of Sandhurst Pride we have introduced each councillor with their picture and contact details.

As Mayor I am keen to promote Sandhurst and all the great organisations and clubs we have here. I know for instance the Tug of War Club, who recently achieved a silver medal at the national championships, need more young members for their junior team. If you have not been and watched a tug of war match then you have missed a fantastic sport of skill, strength, endurance and most of all the ultimate show of teamwork. My thanks to Simon Mitchinson from the Tug of War Club for his inspiring contribution to the primary schools tug of war tournament held in May at College Town Junior School. Well done also to College Town Junior School who won one of the top trophies and to all the schools that took part.

In subsequent editions of Sandhurst Pride I want to celebrate and promote other local clubs and groups, so please let me know what your club is doing? I'm hoping to meet as many of Sandhursts clubs, groups, organisations and businesses as I can during my term of office.

Dale

When Grampian Road in Little Sandhurst had their "Treat Your Street Party" in April it not only brought a community together, but it also brought tears to the eyes of many of its residents.

(Jackie Myall with caring Jessica and Jack)

A few of the children came up with a fabulous idea of decorating paper plates using the blow pens that they had in their party bags. Jack aged 7 and Jessica aged 6 both from Grampian Road, decided to go round selling these fantastic decorated plates to raise money for The Royal Marsden Hospital, as two children in their class Olivia aged 6, who has leukaemia and Joe aged 7, has a Brain tumour. To date they have collected £35.50 and a big well done as children who care so much for others.

Jackie Myall, co-organiser said "it was a fantastic day and with the grant received from Sandhurst Town Council we were able to send every resident home with a souvenir mug and the children with a Royal Party Bag".

Sandhurst Freedom March

June 23rd 2012

If you are a group, club, or local organisation and you would like to take part in next years Sandhurst Freedom March, which we hope will be the biggest and best ever, then please get in touch with:

**SANDHURST PRIDE & THE CLEAN TEAM
BREAKING NEWS FOR FRIENDS OF SANDHURST!
SANDHURST PRIDE & THE CLEAN TEAM is on Facebook.**

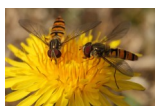

Lifetime resident of Sandhurst and Wendy Smith's daughter Victoria (Tori) says: "This is a group for residents and fans of Sandhurst and its Clean Team - including the famous Wendy and Heather, the litter pickers! This group was inspired by a discussion of the community spirit in Sandhurst, and how the town is unique for many reasons. Sandhurst is known worldwide as the location of the Royal Military Academy Sandhurst, as well as for the Sandhurst tug of war team who have been world champions three times. Sandhurst also has a football team, Sandhurst Town F.C., a cricket club, and a joggers' club with 300 members. I would welcome Sandhurst officials/residents to be group administrators and help me out with events and photos, etc." To find out more try these useful links:
